Rules: The rules expressed on this sheet, as amended, govern. I reserve the sole right to amend them as we go to resolve questions that might come up. Updates will be posted [here](#). If issues arise, I will be as fair as possible. My decisions are final and may not be challenged.

Registration required: To enter the contest, use the [Recruit form](#) on The Constitutional County website. Every field must be complete and accurate. Signup **yourself**, your **helpers**, and the **signers** of the Demand. Only those who are signed up count. <https://theconstitutionalcounty.com/recruit>

Referrals: You are encouraged to register others--**friends** and **co-signers**. They will then get credit. You also get credit for the additional people they bring in, one level only. When you register, up to 10 refer-a-friends can be registered at the same time. Do this as many times as

needed, but each time be sure to register yourself first so you are properly connected to those names. The first to register a person gets the credit. No exceptions.

Suggestions: Electronically fill out your information on the Contact Information sheet as the first named person, then print out a number of packets to present and hand out at meetings, work, rallies. Send them via email lists, social media forums, website links. Capture as many signatures as you can. Hand out additional copies for others to raise signatures. Your name is on them; you will be credited for future downstream activity. Target people who have large followings: leaders, organization heads, bloggers, keyboard warriors, social media moderators. Be creative.

Requirements: The instructions included with the Demand04 packet must be strictly followed. The only people qualified are those that register on or after Oct 18, 2021 at The Constitutional County Recruit page.

Deadlines: Midnight the last day of each month. Properly completed Demand04 signature sheets must be RECEIVED BY ME by that time. Color original sheets preferred, but scanned color copies emailed are acceptable. Deliver to addresses below.

Deliver to: Kirk F MacKenzie, POB 667, Bigfork MT 59911. Or Kirk@DefendRuralAmerica.com.

Issues: If issues arise, I will be as fair as possible. My decisions are final and may not be challenged. If needed, the rules may be amended to encompass unforeseen questions.

Diversity: Target everyone and every group, not just patriots. Every issue, every one is affected by bad government--small businesses, agriculture, forest management, education, gun owners, public lands. Education. Small business. No matter the issue, everyone is blocked by the one fundamental issue...Government is broken. Fix that problem, the rest can be solved.

Telegram: Encourage as many people as possible to join Telegram and The Constitutional County forums [@TCCnational](#) and [@TCClegal](#). I am willing to count [@TCCnational](#) sign-ups the same as registrations, if their Telegram aliases can be connected to their real names and contact information.

The Constitutional County™ is the solution.
